
NTI PACKETS

Dear 2nd Grade Parents,

This is your child's NTI Packet. These Non-Traditional Instructional Days are a way to continue instruction and learning from home on days when we are unable to meet at in person. The skills on these are intended to be review and are to be completed independently by your student. They have practiced the skills and how to present their work (there is a completed sample). Please have your student **complete the activities** (Sentence Fix Its, Word of the Day, Pattern of the Day, Solve It and Analogy on the paper provided. **In addition to the attached work,** students should complete any work on their weekly assignment sheet (math facts, math homework, daily reading and memory work practice). Completed work is **due** on the day we return to school.

Grace,

2nd Grade Teachers
