### **Statement of Faith**

1. We believe the Bible is the very Word of God in its entirety and, therefore, is our authority in matters of faith and practice.
2. We believe in one God, creator of the universe, eternally existing in the persons of the Father, the Son, and the Holy Spirit.
3. We believe God created man in His own image, and when man disobeyed God, he fell from innocence and brought sin to all mankind.
4. We believe Jesus Christ was conceived by the Holy Spirit, born of the virgin Mary, crucified for our sin, and raised from the dead for our justification in eternal victory. He is undiminished deity and genuine humanity in one person.
5. We believe Jesus Christ ascended into Heaven to the right hand of God the Father and will one day return to this earth in power and glory.
6. We believe the only means of being cleansed from sin is through repentance and faith in the precious blood of Jesus Christ, surrendering to Him as Lord and Savior.
7. We believe the Holy Spirit is a personal Being who convicts the world of sin and who regenerates, indwells, empowers, guides, and seals believers eternally for God.
8. We believe regeneration by the Holy Spirit is absolutely necessary for the salvation of lost sinners, and those who receive the Lord Jesus Christ by faith are born again into the family of God.
9. We believe heaven is the abode and the place of eternal joy for the saved, and that hell is the place of eternal punishment for the lost.
10. We believe the family of God is part of the visible church and is the body of believers of which Christ is the head.

The Statement of Faith contains those doctrines to which the school unreservedly adheres and teaches. It is the school's desire to maintain this position. Although Trinity Christian Academy is a ministry of Tates Creek Presbyterian Church, students are not required to believe our denominational distinctives as set forth in the Westminster Confession of Faith. A brief summary of these distinctives is attached. These matters may arise in classes and chapel services.

## Mission Statement

Trinity inspires students to learn, love, and live God's truth in God's world.

In order to accomplish this mission:

1. The school offers its students an education that is both classical and Christian. It is classical in that it draws deeply on the rich heritage of western civilization and culture; it is Christian in that it recognizes the Bible as the final authority in matters of life and thought. Students are encouraged to develop a world view that integrates Christian faith with all areas of learning.
2. The school functions as a nurturing community in which students are respected as unique individuals created in the image of God, each with special abilities and needs. They are taught by skilled and knowledgeable teachers who love children and are dedicated to helping them realize their highest potential—spiritually, intellectually, physically, socially, and creatively. Classes are kept small so that each student will receive individual attention and have abundant opportunities to participate and lead.
3. The school takes an active interest in the development of its students' intellectual, spiritual, moral and physical habits in the belief that early development of a disciplined lifestyle in the context of a relationship with Jesus Christ will provide a solid foundation for a responsible and joyful life.
4. The school offers its students a rich humanities, arts, music and social studies curriculum, which integrates the study of literature, music and the arts with the study of history and geography. Students come to understand the present and gain perspective on the future through acquiring knowledge of the past. They are warned of evil and error and challenged to live virtuously and nobly through the example of those who have gone before. They learn to think critically and Biblically through engaging in dialogue with outstanding thinkers of the past and present. They are encouraged to express themselves creatively in written and artistic media as they taste and enjoy great literature, art and music.
5. The school offers its students a mathematics and science program that enables them to master the content and skills, which will prepare them to participate knowledgeably in the scientific and technological discussions of the modern world. From the early grades the mathematics curriculum encourages mastery of concepts and skills that are foundational for advanced study and emphasizes the practical application of what is learned to real-life problems. The science curriculum makes use of an approach, which enables the students to acquire a solid understanding of the world in which they live through a direct encounter with the wonders and laws of God's creation.
6. The school offers its students a physical education program that involves them in a variety of physical activities and sports designed to develop their fitness, skills and character.

## **Tates Creek Presbyterian Church Theological Distinctives**

1. The Scriptures of the Old and New Testaments, consisting of sixty-six books are the inerrant Word of God and the sole authority for both belief and practice.
2. There is one God in three persons, the Father, the Son, and the Holy Spirit. He is perfect in all His attributes and He sovereignly reigns and rules over all things, including evil.
3. Man is so completely dead in his sin and estranged from God that there is truly absolutely nothing he can say or do to reconcile himself to God.
4. Salvation is all of God. He is both the Author and the Finisher of His people's salvation. Not one of God's people will be lost.
5. Sinners are saved by grace alone (as opposed to any other cause) through faith alone (as opposed to any other means) and even this faith is a gift of God.
6. The people of God are called to grow in their faith and walk with Christ by the sanctifying power of the indwelling Holy Spirit and through the diligent use of the means of grace (Word, prayer, worship, sacraments, Christian fellowship and service).
7. God has graciously given special promises to children of believing parents (called covenant promises) to encourage the parents in their efforts to raise their children in the Lord.
8. The church is the only God-appointed institution through which God calls a people to Himself.
9. Death is the final threshold, which separates people for all eternity between Life in Heaven and Condemnation in Hell.
10. Jesus is coming again to restore all things to Himself, including the resurrected bodies of His redeemed people.
