

**Trinity Christian Academy
Summer Reading List
Rising Second Graders**

Below are lists of classic children's literature for you and your child to read from this summer. We encourage rising second graders to read for at least 15 minutes daily. We also encourage parents to take time each day to read books from the read-aloud list. As an incentive, check off each book as you read it and show your child's teacher on the first day of school. Please note that not all of these books will be available at your local library.

List for Young Readers:
