Parents' Summer Read-Aloud List
Rising Kindergarteners

Below is a list of classic children's literature to read to your child this summer. We encourage you to spend at least 15 minutes daily reading aloud to your child, but every little bit is valuable. As an incentive, check off each book as you read it and show your child's teacher on the first day of school. Please note that not all of these books will be available at your local library.
