

### **Middle School Teacher - Science**

Trinity Christian Academy of Lexington, Kentucky, is seeking an inspiring Middle School Science Teacher to teach Earth Science and Physical Science while integrating Christian faith with education.

Successful applicants will possess a solid Christian faith and will be passionate about teaching their subject in a manner consistent with Scripture and classical education. Classroom experience in teaching related subjects is required. Applicants must have a minimum of a BS/BA in a related field.

Interested candidates should email a cover letter and resume to Luke McAnally, Principal of the Schools of Logic and Rhetoric at [lmcanally@trinitylex.org](mailto:lmcanally@trinitylex.org). For more information on our school and to view our application, please visit [www.trinitylex.org](http://www.trinitylex.org).
