

Science Teacher - 7th and 8th grades

Trinity Christian Academy of Lexington, Kentucky, is seeking an inspiring science teacher to teach science to 7th and 8th graders while integrating Christian faith with education.

Successful applicants will possess a solid Christian faith and will be passionate about teaching their subject in a manner consistent with Scripture and classical education. Classroom experience in teaching related subjects is required. Applicants must have a minimum of a BS/BA in a related field.

Interested candidates should email a cover letter and resume to Luke McAnally, Principal of the Schools of Logic and Rhetoric at lmcanally@trinitylex.org. For more information on our school and to view our application, please visit www.trinitylex.org.
